Hello,

Attached you will find the updated flyers with everyone's comments. I have included a spanish version as well (some of the translation i did myself so please let know if it is wrong). I don't know if the Eagle Rock Chamber is confirmed so I didn't include them. Please let me know if this is approved by everyone since there were changes. If possible, it would be great to have final approval by end of day tomorrow so we can print and hand out asap.

Thank you everyone.

Best,

SuzAnn
